Dear Sisters,

I've been so blessed to read of all of your testimonies on this board, including those of you who are still waiting on the Lord for the desires of your heart.

Recently I was reading Psalm 111 again and considering the following verses:

"The works of the Lord are great, studied by all who have pleasure in them.

His work is honorable and glorious, and His righteousness endures forever.

He has made His wonderful works to be remembered; the Lord is gracious and full of compassion."

--Psalm 111: 2-4

What an awesome way to be encouraged --study His works and remember all the times He's proven faithful to His children. We have all the instances recorded in scripture, as well as all the times He's come through for us in our lives. Keep a book of remembrance of what He has done for you and your family!

Perhaps you are facing difficult circumstances now and in a time of trial and testing --look to the Lord and think about all the times He's done something far greater than what you need Him to do! Nothing is too difficult for Him --nothing is too great or too small.

Get into His Word, let it minister LIFE to you and HEALTH to you --put your trust fully in Him and your joy will be made full! Then share that joyful testimony with others. Declare His works! Allow Him to be glorified in your life!

Share here how God has blessed you and make known His deeds!
