I wanted to tell Tamara thanks - for the articles and Scripture pages she has available on this site. I have most of them printed to refer to for quick scripture "fixes". Truly, there is no help other than the Lord that really is lasting and stable. Thanks Tamara, I was reading some of them out loud to my dh today and they so touched my heart to tears...yes, it's true I am more emotional and vulnerable these days, being close to my due date, and needing the strength that comes from His Word for my weaknesses.

I also admire and applaud you Tamara, for your example in reliance on the Lord and being a woman of the Word in all our times of stress/distress/change/anxiety. This is a lesson I must re-learn from time to time.

Bless you today - and it was so nice to see your pictures on FB along with Caitlyn and your family! It's true, the Lord has kept your youth renewed, you look wonderful!

:d

Awwwww...Christal, thank you for your kind words of encouragement! All glory to the Lord --it's a blessing to be able to share with others His Word that has encouraged and helped me so much. He is so faithful!

I know He will continue to be faithful to you and your little one!

With love and hugs,  
Tamara
